

Society for Analytical Chemists of Pittsburgh

The Society for Analytical Chemists of Pittsburgh (SACP) is a non-profit organization dedicated to the advancement of analytical chemistry through science education.

The SACP offers various funding, networking and outreach opportunities for both faculty and undergraduate students.

The society is dedicated to the education of the membership, of the community and of the future scientists in our schools.

Monthly lectures help to keep the members current with new technologies, instrumentation and methods.

Members are involved in joint endeavors with the Spectroscopy Society of Pittsburgh, the Pittsburgh Section of the American Chemical Society and Pittcon (The Pittsburgh Conference).

More information about these and other programs can be found on our website:

Funding Opportunities

Academic Funding

- ✧ Undergraduate Analytical Research Program (UARP) Grant
- ✧ Pittsburgh Conference Memorial National College Grant (PCMNCG)
- ✧ Undergraduate Equipment Grants
- ✧ Starter Grant
- ✧ Elementary/Middle School Science Equipment Grants

Undergraduate Funding

- ✧ Summer Internship Program
- ✧ College Chemistry Awards
- ✧ ACS Graduate Fellowships

Please visit www.SACP.org for more funding opportunities.

Monthly Lectures

2018-2019 SACP Executive Committee

- ✧ The SACP presents a variety of technical lectures and symposia for members and the public throughout the year.
- ✧ Monthly lectures are held jointly with the Spectroscopy Society of Pittsburgh (September – May) and focus on recent advances in analytical methods and instrumentation.
- ✧ A social hour and dinner precede the technical presentation.
- ✧ Reservations cost \$10 for members and \$5 for undergraduates.

Please see the reverse side to view the Technical Calendar.

Student Affiliates

- ✧ The SACP Student Affiliates embrace undergraduates from various local institutions.
- ✧ Student Affiliates meet at each SACP monthly lecture to plan relevant events.
- ✧ Activities include outreach opportunities, recruitment events, resume workshops and tours of local industrial companies.
- ✧ Members have the opportunity to attend Pittcon as student aides.

Professional Development

Faculty

- ✧ Collaborate with other faculty members from local colleges and universities.
- ✧ Make connections with industry representatives.
- ✧ Provide monthly networking opportunities for your undergraduates.
- ✧ Involve your school and students in outreach events throughout the region.
- ✧ Serve on SACP committees to ensure the success of the society and its goals in the community.

Undergraduates

- ✧ Network regularly with chemistry professionals from various fields and careers.
- ✧ Interact with undergraduates from neighboring colleges and universities.
- ✧ Learn how classroom topics are applied to cutting-edge research during monthly technical meetings.
- ✧ Become active in the community through local science outreach events.

- ✧ Carnegie Science Center Festival
- ✧ Pittsburgh Regional School Science & Engineering Fair
- ✧ Odyssey of the Mind
- ✧ High School and Middle School Science Essay Contest
- ✧ Pittcon Science Week

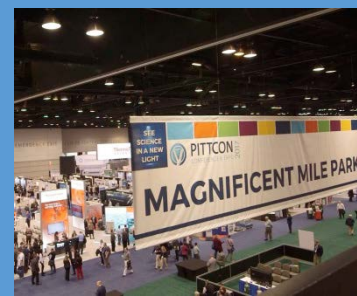

SACP members perform chemistry demonstrations during National Chemistry Week at the Carnegie Science Center.

PITTCON™ CONFERENCE & EXPO

The Pittsburgh Conference (Pittcon) is a Pennsylvania not-for-profit educational corporation that is comprised of the Spectroscopy Society of Pittsburgh (SSP) and the Society for Analytical Chemists of Pittsburgh (SACP). Pittcon is the world's leading annual conference and exposition on laboratory science. Pittcon attracts more than 16,000 attendees from industry, academia and government from over 90 countries worldwide.
